DETAILED ACTION

Claim Rejections - 35 USC § 101

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-6 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter. Applicant's REMARKS have been reviewed, but are not convincing. No technology has been claimed in claims 1-6 (note the technology claimed from the other claims). Thus, the previous rejection is maintained.

2. The previous rejections based upon Hill are withdrawn pursuant to Applicant's June 29, 2005 REMARKS.

Claim Rejections - 35 USC § 103

3. Claims 1-14 are rejected under 35 U.S.C. 103(a) as being unpatentable over Bahl et al, US 6,834,341.

Applicant is directed towards page 4, paragraph 9 of the March 4, 2005 Office Action. Applicant's June 29, 2005 REMARKS have been reviewed, but are not convincing. The Official Notice taken is deemed admitted by Applicant as it was not properly traversed. Applicant's REMARKS of not providing a straightforward way is not the determinative factor. As is, Applicant's does not claim system architecture nor peer-to-peer accounting as part of the recited claim language. Thus, the REMARKS directed towards these features is not persuasive. Thus, the previous rejection is maintained.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
